

Discipline Policy

Children in all grades are expected to work hard and complete all assigned school work. Children are expected to respect themselves and each other by doing their best every day.

Sacred Heart uses Education in Virtue as the basis for our discipline policy. The goal of correcting students is to teach the Steps to Sainthood with clear roots to the Catholic Faith. These pillars are taught with regularity in the classroom and reinforced by the principal.

The 4 pillars of discipline used at Sacred Heart School are:

Justice: Having courtesy, respect and sincerity; Being trustworthy, prayerful, generous, kind, obedient and responsible.

Prudence: Thinking before you act; knowing right from wrong; listening before speaking and obeying teachers.

Fortitude: Being industrious, magnificent, patient and having perseverance.

Temperance: Being honest; having self-control, humility and meekness.
