

Sacred Heart School

August 26th, 2022

Almighty God,

We give you our school.

We give you the teachers and staff who work here.

We give you all the teachers who study here.

We pray our school would be a place of great discovery, adventure and creativity.

May it be a place where we love to learn and learn to love.

A place where everyone is respected and all are deeply valued.

We ask all this through Jesus Christ our Lord.

Amen

We begin this school with clarity. Your children are special. They are special to God and that makes them special to us. We are certain that together we are going to learn immensely from each other. Each one of God's children is destined for greatness. We are here to unlock that potential through education, thought, virtue, service, communication, guided practice, trial and error and so much more. School is the place where children find out where they fit in the world. They will be challenged, for certain, but in that struggle for knowledge and truth, they will find their own resolve.

The teachers and staff at Sacred Heart accept the mission of developing children who are balanced: confident of mind, academics and Catholic faith. We are ready to ignite curiosity and inspire your children to make a difference in the world.

So we ask the army of saints in heaven to pray for us! We ask for Mary to intercede from us and we ask all of you to pray for the students, families and teachers at Sacred Heart School. Together, we can find protection, love and safety as we grow in faith and knowledge this school year!

God Bless,

Anne Atkin, principal
