

# Sacred Heart School

November 19th, 2021

## What a wonderful night!

The "Be in Our Heart" Gala 2021 was a beautiful celebration of Catholic education. It was a night to enjoy the company of people who believe our school is a pillar of the community and support our efforts to operate a school where virtue and learning are truly sacred.

We are honored to announce the 2021 Volunteer of the Year, Michelle Henning. Her joyful spirit and love of Sacred Heart School is contagious. She is always willing to serve our school community as a substitute teacher, classroom party planner, recess/lunch helper, and she works for hours in the kitchen during the Gala each year. Michelle is such a blessing to Sacred Heart in too many ways to list. Thank you! You are very deserving of this honor.

We are so grateful to the Czeizperger family, especially Emily, Alex and Annabelle who donated many, many hours of time preparing a delicious dinner for us to enjoy. Preparing food for over 200 people is a herculean task and they executed the evening with precision and grace. Thank You!

The Confirmation students with the help of Lisa Tinkey and Anna Loar were fantastic serving dinner, dessert and taking great care of us. You were great!

The Church Hall was completely transformed into a beautiful ball room by A Happening by L & L. Thank you so much to Lynn Warner and her family and friends for donating all of your time, and decorations to create an elegant space.

A special thank you to Carrie Town, Trish Weaver, Jessica Varney, Kerri Sanborn, Katie Varney, Denise Monahan, Anne Shaw, Sara Moreno, Lance Tedora, Nate and Stacy Parker, and all of the Sacred Heart teachers for all of the extra help. You are wonderful!

To our sponsors and donors: Our school family thanks you for your generous gift to Sacred Heart School. As our school grows, so does the need for financial aid to families who value Catholic education but cannot afford to pay full tuition. Our school relies on the special donations of people like you to continue to offer a place for serenity and worship to all who desire it. Your gift will ensure that our Catholic tradition is passed on to the next generation.

God Bless,  
Anne Atkin

# Sacred Heart Feather Party
